Network Description

Resilient KC is a partnership between Trauma Matters KC and The Greater Kansas City Chamber of Commerce.

MARC Objective

- Raise Awareness in the bi-state regional Kansas City area on the impact of Adverse Childhood Experiences.
- Build a Resilient Community.
- Collect Adverse Childhood Experiences from the Kansas City Community.

Key Learning

- When collaborating across sectors, language is vital and the proper language must be used that resonates with the audience.
- Sustainability of a movement doesn't always need large financial commitment, but it helps.
- Accelerated momentum can happen quickly when the capacity is present and staff is able to dedicate their time to the work.
